WORK EXPERIENCE

MID-LEVEL FRONTEND DEVELOPER

VALSQUAD JAN 2023 - PRESENT

- Provided technical support to clients and end-users, addressing and resolving their inquiries and issues.
- Collaborated closely with business analysts, actively participating in discussions to translate client ideas into actionable web features, ensuring alignment with project goals and objectives.
- Designed and developed visually appealing, responsive, and user-friendly web applications

JUNIOR FRONTEND DEVELOPER

BLACKSTONEEIT MAY 2022 - JAN 2023

- Worked collaboratively in a large team setting, gaining valuable experience in effectively coordinating and communicating with team members.
- Built proof-of-concept (POC) projects, showcasing my ability to rapidly prototype and demonstrate the feasibility of new ideas or technologies.
- Collaborated closely with Quality Assurance (QA) teams, actively engaging in discussions and ensuring that project requirements were met through testing and quality checks.

JUNIOR FRONTEND DEVELOPER

VALSQUAD JUNE 2021 - MAY 2022

- Setting up codebases for new projects, ensuring a solid foundation for development.
- Integrating web applications, combining different components and functionalities to create seamless user experiences.
- Implementing API integrations, connecting frontend interfaces with backend systems.

WEB DEVELOPER - INTERNSHIP

INVYSCODE APRIL 2021 - JUNE 2021

- Introduced to Angular framework and learned its fundamentals.
- Successfully integrated static websites, enhancing my skills in front-end development.
- Engaged in real-world projects, giving me exposure to a professional work environment and providing opportunities to collaborate with a team.
